

## Please observe the following rules:

- Stay on the roads and temporary roadways.
- **Check if the vehicle is level and stable and that you can load/unload safely.**
- **Never** drive away before the loading platform has lowered fully or before the container has been hoisted fully.
- Alert staff immediately if there is a leak, spill and/or dust formation.
- Also report near misses and hazardous situations.

### Container trucks

- Ensure that containers are standing on the ground when attaching and/or removing the nets or tarpaulins.
- Always leave the site through the car wash. Drive slowly through it so that all tires are clean.

### Caution! Hazardous (and non-hazardous) waste substances are treated and landfilled on this site

- Do not touch them.
- You can wash yourself next to the weighbridge inside the company building.

## Safety Instructions

- Maximum speed is 15 km/hour.
- Watch out for the shovels and other work traffic.
- Wear your seatbelt on site and during unloading.
- Never walk over the load /or in the container.
- Always keep a distance of at least 5 meters between pedestrians and moving vehicles in work areas.
- Keep the windows of your cab closed.
- When outside the cab, always wear a hard hat, High Vis work clothing, safety boots, safety glasses and gloves during activities.

- In some places extra PPE may be mandatory. Pay attention to the signs.

## Accidents / Incidents

### When every second counts

#### Alert the alarm post

- On **+31 (0)181-354886** or
- On one of the Mineralz staff's walkie talkies.
- If there is no answer, call **112** immediately and then the alarm post again.

#### Report:

- Your name
- Where you are
- What has happened
- The number of victims
- Their injuries

Stay calm, think about your own safety and follow the instructions given by the company emergency response officers and members of the emergency services.

## Access Rules

- People < 18 years are not permitted on the site, not even in the cab of the lorry. They can wait by the weighbridge.
- Eating, drinking and smoking is prohibited on the entire site.
- Smoking is only permitted in the places indicated.
- It is strictly prohibited to use, be in the possession of or be under the influence of alcohol and/or drugs.
- If you do not adhere to these safety rules or to the instructions given by Mineralz staff, you can be removed from the site in accordance with the sanctions policy.

## Unloading instructions in the silos
